YMCA Camp Reed Voluntary Release Form

I/we agree to release and hold harmless the YMCA of the Inland Northwest, their agents, assistants, employees and co-sponsors for any damage or injuries, physical or mental, which we as adults, or the children in our care, might incur as a result of our voluntary decision to participate in activities in connection with programs or rental of all or part of the Camp Reed facility.

I/We recognize there is a significant element of risk in any adventure, sport, or activity associated with the outdoors. Permission is granted for applicants to participate in all planned activities and programs, including challenge course, climbing, hiking, swimming, shooting sports and additional camp activities, with the understanding that parents/guardians below are ultimately responsible for supervision of minor attendees. Knowing the inherent risks, danger, and rigors involved in the activities, I/we certify that I/we are fully capable of participating in the activities.

In case of a medical emergency, we give permission for the employees and/or representatives of YMCA Camp Reed to provide or seek medical attention on our behalf.

I further recognize the importance of knowing and abiding by Camp Reed's rules, regulations and procedures for the safety of camp participation.

We also authorize the YMCA to have and use all photographs, slides, and videos of the person(s) named on this application as needed.
